## **Cancellation Policy**

Golden Gate Foot and Ankle aims to deliver personalized care. In order to do so, we have found it is necessary to implement a cancellation policy for all appointments and scheduled surgeries.

We are requiring a notice of the cancellation or rescheduling of an appointment 24 hrs in advance. This will permit us the opportunity to use this time to assist our other patients. If a call, text or email is made on a Saturday or

Sunday, this will not be considered a 24-hor following will be the charges.	ir cancellation, as our office is not open during that period of time. The
